Empire College notified and provided information to students about the emergency financial grants through the distribution of a CARES Act Student Survey (“Survey”). The Survey also served as the tool by which students requested an emergency grant under this program. A copy of the Survey appears on the next page of this Report.

Students were alerted about the Survey through emails from the institution and phone call campaigns. The institution provided the Survey to students via an email through Adobe Sign and mailed via U.S. Postal Service. Upon completion, the Survey was returned to Empire College’s Financial Aid Department for review and determination of eligibility. After determining eligibility and categorization, the institution distributed a check to the student for their emergency financial aid grant.

Empire College identified and notified through email and telephone calls those students who had not previously submitted a FAFSA and who were enrolled in Title IV eligible programs. Students were instructed to submit the FAFSA by 6/12/2020, to determine eligibility to receive the grant.

Along with the grant check, Empire College provided guidance on the intended use of the emergency grant funds.
