U.S. Congressman Mike Thompson
delivered the commencement address to
Empire College School of Law’s Class of 2016.
People choose to study law for many different reasons. Some require legal education to complement and facilitate an intersection of their chosen career paths with government or policy, for which our Master of Legal Studies program provides an excellent opportunity. Some view themselves as trial attorneys persuading a jury to find in favor of their client. Others believe the legal system is the most effective way to address society’s problems. Regardless of the career path they pursue, the discipline and critical thinking skills learned while studying law will assist them in their future endeavors.

One of the most fascinating aspects of law is that it is always subject to change. Students learn that the study of law is not a process of memorizing stagnant rules but rather a discipline of carefully analyzing a client’s position and preparing an argument to support that position.

At Empire, we are committed to providing students with an education that will allow them to successfully confront the ethical and intellectual challenges the field of law presents. Our faculty have distinguished themselves with a high level of competence in their legal specialties and are effective communicators in the classroom.

The study of law is a very personal decision and one that should only be made after considering many factors. If you believe this is an opportunity for you, we invite you to call the College and meet with the professionals who can assist you in making this important decision.
For more than 40 years, Empire College School of Law has been providing a quality legal education for students wishing to pursue a career in the field of law. We are very proud of the accomplishments of our graduates including members of the judiciary in Sonoma, Napa, Mendocino, Lassen, Calaveras and Merced Counties.

education.

The life of the law has not been logic; it has been experience.

~ Oliver Wendell Holmes, United States Supreme Court Justice, 1902-1932.

A remarkable human being, Justice Holmes was a veteran of the Civil War, twice wounded and well-known for the clarity of his thought and brevity of his opinions. Indeed, “experience” is the wellspring of our legal thought. There is no human endeavor which does not have the capacity to engender conflict. We have attempted to channel conflicts into our legal system, to minimize those conflicts by statutes and to guide conflicting parties through the advice of persons learned in the law – those trained in the law and lawyers.

Empire College provides more than just an intellectual exploration of the law; it also provides hands-on, meaningful training in practical lawyering. Every year, students have the opportunity to build their reputation with the legal community and gain experience in the state and Federal court systems. The benefit of this opportunity is twofold: students gain valuable experience in the legal field before graduation and the public receives free services that lessen the burden on taxpayers and alleviate critical needs in the community.

Our law school provides the opportunity for a diverse population to obtain a legal education and practical experience. Hundreds of Sonoma County residents and others have taken advantage of our proximity and a practicing faculty to obtain that education. There are eleven California judicial officers, past and present, who graduated from Empire College School of Law and over 25% of the current Bar members in Sonoma County are alumni. We have a proud history since the law school was founded in 1973, and I am pleased to be part of that history and the current challenges.

General Information

Mission Statement
The mission of Empire College School of Law is to provide a positive learning environment to achieve a quality legal education. Taught by judges and practicing attorneys, the School of Law’s courses emphasize academic excellence and the development of practical lawyering skills. The school is dedicated to instilling students with the highest principles of professional, ethical, and moral responsibility. Students will be enabled to pursue diverse career choices through the acquisition of a thorough knowledge and understanding of the legal system.

The Law School’s mission statement is reinforced by the following objectives:

- To provide graduate students an opportunity to understand the basic building blocks of a professional law school curriculum.
- To prepare graduate students to undertake the study of the diverse areas of the law leading to a thorough understanding of specific specialties.
- To foster in graduate students an appreciation for the community service and pro bono publico responsibilities of legal professionals.
- To give graduate students the intellectual tools to enhance their chosen career or learn a new skill-set in order to change careers.

Accreditation
Founded in 1973, the School of Law has been accredited by the Committee of Bar Examiners of the State Bar of California since 1982 to offer a Juris Doctor program. Added in 2013, the Master of Legal Studies program is approved by the Accrediting Council for Independent Colleges and Schools, a nationally recognized accrediting agency by the United States Department of Education and the Council for Higher Education Accreditation.

Study at, or graduation from, this law school may not qualify a student to take the bar examination or be admitted to practice law in jurisdictions other than California. A student who intends to seek admission to practice outside of California should contact the admitting authority in that jurisdiction for information regarding its education and admission requirements.

Except as provided in rule 4.30 of the Admissions Rules (Legal education in a foreign state or country), completion of a professional law degree program at this law school other than for the Juris Doctor degree does not qualify a student to take the California Bar Examination or satisfy the requirements for admission to practice law in California. It may not qualify a student to take the bar examination or to satisfy requirements for admission to the practice of law in any other jurisdiction. A student intending to seek admission to practice law should contact the admitting authority in the jurisdictions where the student intends to qualify to sit for the bar examination or to be admitted to practice for information regarding their legal education requirements.

Empire College is a privately owned Sub-Chapter S corporation, organized under the laws of the State of California. Empire College has never filed for bankruptcy petition, operated as a debtor in possession or had a petition of bankruptcy filed against it under Federal law.

Academic Programs
The Juris Doctor curriculum requires completion of 86 units for graduation. The Juris Doctor degree is awarded upon satisfactory completion of those units.

The Master of Legal Studies curriculum requires completion of 36 units for graduation. The Master of Legal Studies degree is awarded upon satisfactory completion of those units.
The Law School academic year is divided into three 15-week semesters (Fall, Spring, Summer). Students attend classes two to four nights per week, Monday through Thursday. Additional courses may be offered during the 15-week Summer Semester and on Saturdays. Considerable outside study is necessary for academic success.

Normally, Juris Doctor students are required to complete the 86 units extending over a period of not less than 120 weeks while enrolled in courses requiring classroom attendance of not more than 10 hours nor less than 6 hours per week.

**Definition of Credit**
For all purposes, 15 contact hours of direct instruction with an additional 30 hours of out-of-class student work equals 1 semester credit; 30 contact hours of work in laboratory activities equals 1 semester credit; and 45 hours of practicum equals 1 semester credit. A contact hour is equal to 50 minutes of instruction.

**Modification of Curriculum**
Juris Doctor students who have achieved a cumulative grade point average of 76 or higher after their second year of school and who work 20 hours per week or less may petition the Dean to accelerate their studies. Before petitioning to accelerate their studies, students should give serious consideration to how the increased number of classes will affect their academics, work, and personal schedules.

**Academic Environment**
The student body at Empire College School of Law is diverse. Many of our students bring business and professional experience, enhancing classroom discussion.

**Veterans Training**
Empire College School of Law courses are approved for the training of eligible veterans and eligible persons. Students who intend to apply for these benefits should apply to the Law School at least two months prior to the beginning of classes.

Empire College will conduct an evaluation of previous education and training for all veterans and eligible persons, grant appropriate credit for any previous law school education, shorten the training period proportionately, and notify the Veterans Administration and student accordingly.

Pursuant to VA policy, a veteran or eligible person placed on probation for unsatisfactory progress shall be terminated if his or her academic progress remains below graduation requirements after two semesters. If the veteran or eligible person is allowed to remain on probation beyond this period, he or she will have all veteran’s benefits discontinued and any further certification of benefits terminated.

**Veterans Policy Statement**
Refund Policy for Nonaccredited Courses, CFR 21.4255. Empire College School of Law has and maintains a policy for the refund of the unused portion of tuition, fees, and other charges in the event the veteran or eligible person fails to enter the course or withdraws, or is discontinued therefrom at any time prior to completion. The amount charged to the veteran or eligible person for tuition, fees, and other charges does not exceed the approximate pro rata portion of the total charges for tuition, fees, and other charges, that the length of the completed portion of the course should bear to its total length.

Note: The maximum non-refundable registration fee allowed by the VA is $10.00 for non-accredited schools.
Admissions – Juris Doctor

Admitted students are classified as “Regular,” “Special” or “Transfer” students. Students may be provisionally admitted and allowed to begin classes pending receipt of all necessary documentation, as set forth below under “Admission Requirements.” Students will not be formally accepted until all of the necessary documentation has been received. Details regarding each classification are given below.

Admission Requirements

It is recommended that applicants meet with an Admissions Officer as early as six months prior to their intended entrance date in order to begin the admissions process. Applicants wishing to be admitted as Regular Students must, prior to admission, obtain and furnish the following:

1. A completed application plus a non-refundable application fee in the amount of $50.00.

2. One official transcript from each undergraduate and/or graduate school must be provided within 45 days of the student’s first term. The Committee of Bar Examiners requires each student to provide an official transcript, or transcripts from the LSAC Credential Assembly Service, within 45 days after the beginning of the term showing eligibility for admission under § 6060(C)(1) of the California Business and Professions Code and rule 4.25 of the Admissions Rules (Regular Student pre-legal education requirements) or an official certification that the person has passed the equivalency examination required by § 6060(C)(2) of the California Business and Professions Code and rule 4.25 of the Admissions Rules (Special Student pre-legal education requirements).

Failure of a Regular Student Juris Doctor applicant to provide official transcripts showing the required pre-legal education requirements will result in the student’s removal from class until such a time as the student can provide documentation he or she meets either the Regular Student pre-legal education requirements or Special Student pre-legal education requirements, including any additional documents or actions Empire College School of Law may require. (Official transcripts are those which are sealed and sent by the applicants’ schools directly to Empire College School of Law or provided by the LSAC’s Credential Assembly Service.)

3. Two Letters of Recommendation. Letters should be requested to ensure Empire College receives them within two weeks of the date the application is submitted. Letters should be detailed, insightful evaluations from individuals (non-relatives) who are well-acquainted with the applicant’s academic ability or potential for success in law school.

4. A typed Statement of Intent explaining in no more than 500 words:

a. Why you intend to study law and why you selected Empire College School of Law;

b. The particular contribution you expect to make as an attorney or legal professional and those particular attributes that qualify you for the task; and

c. The adjustment you will need to make as a result of attending evening law school and how you plan to incorporate the educational program.

This statement will be used as a counseling tool by the Dean. The Dean will consider your ability to express yourself clearly, concisely, and sincerely. A straightforward description of the personal opportunity law school will present to you is essential.
5. Law School Admissions Test (LSAT). The LSAT must be taken within four months of your first day of classes at Empire College School of Law. In addition to the applicant’s LSAT score, consideration will be given to life experience, educational background, career history, and other accomplishments. Please note that Special Students must take the LSAT, and provide the Law School with the results, prior to beginning classes. (See page 12.)

6. An interview with and approval of the Dean of the School of Law.

It is important that you keep a copy of all schedules, agreements, contracts, or applications to document enrollment; tuition receipts or cancelled checks to document the total amount of tuition paid; and records which will show the percentage of the program which has been completed.

Regular Students
An applicant holding a bachelor’s degree from a qualified institution may be admitted as a Regular Student. An applicant not holding a bachelor’s degree from a qualified institution may be admitted as a Regular Student if either of the following are met:

1. The applicant has earned an Associate in Arts Degree or an Associate in Science Degree from a qualified institution in California. The Specialized Associate Degree (Occupational) and the Associate of Applied Science Degree, and other associate level degrees which are vocationally oriented, do not satisfy this subsection; or

2. The applicant has completed at least two years of college work:
   a. “Two years of college work” means a minimum of sixty semester or ninety quarter units of college credit equivalent to at least half that required for a bachelor’s degree from a college or university that has degree-granting authority from the state in which it is located and has been completed with a grade average adequate for graduation.

Students who have not earned a BS, BA, AS, or AA degree may be required to submit their pre-legal transcripts to the Committee of Bar Examiners for evaluation of whether they have completed the necessary pre-legal requirements.

Every applicant who seeks admission as a Regular Student must provide official transcripts and other required documentation by the 45th day after the first day of class. If transcripts showing eligibility for admission as a Regular Student are not on file within that period, the admittee must be classified as a Special Student, if the student is admissible as a Special Student, or the student must be excluded. In exceptional circumstances the Dean of the Law School may grant an additional 45-day extension.

Law School Admissions Council (LSAC) Credential Assembly Service
Empire College School of Law accepts LSAC’s Credential Assembly Service (CAS) which simplifies the admission process for law school applicants. Applicants make sure that all of their undergraduate, graduate, professional, and law school transcripts; letters of recommendation; and evaluations are sent initially to LSAC. LSAC summarizes undergraduate work and combines applicant documents with the LSAT score and writing sample to create a report that can be submitted to law schools. (Individual law school application fees are not included as part of CAS). When law schools receive your completed application, they will request your law school report from LSAC.

If you are a JD applicant who has studied for more than one academic year outside the United States or Canada, you can use CAS for transcript evaluation and authentication if required by the law schools to which you are applying.
Pursuant to school policy, any Regular Student Juris Doctor student whose undergraduate and/or graduate cumulative grade point average (regardless of whether the student has a bachelor’s degree) is less than 3.0, and who also scores below the 20th percentile on the Law School Admissions Test, will be required to take and pass the First-Year Law Students’ Examination (FYLSX). For the purpose of making this determination, the undergraduate and/or graduate grade point average may be calculated on the most recent 60 semester units or 90 quarter units earned by the student.

The student is required to take and pass the examination in two consecutive attempts starting with the first test date after completion of Criminal Law, Contracts, and Torts. The Dean shall have the authority to require that certain students meet additional conditions necessary for the student to advance in their studies. If the student fails to take and pass the FYLSX within the first two attempts, he or she will be academically disqualified. Regular Student Juris Doctor candidates whose cumulative grade point average is 70 or higher after completing Criminal Law, Contracts, and Torts may petition the Dean to waive the FYLSX requirement.

All applicants are strongly encouraged to complete the necessary requirements for a B.A. or comparable degree prior to seeking admission. No particular pre-law curriculum is required; however, certain courses may be helpful. Classes in English composition, history, sociology, and political science are all suitable. The student should concentrate on courses which are intellectually challenging and include reading and writing, as opposed to vocationally oriented.

Students are admitted to commence study in Fall, Spring, and Summer terms. Regular students must take the Law School Admissions Test (LSAT) within four months of commencing the study of law.

Special Students
Students who have not qualified as a Regular Student may apply for admission as a Special Student.

Since January 1, 1991, the California State Bar has required that all applicants seeking admission as Special Students take and pass between three and five College-Level Examination Program (CLEP) exams prior to admission to law school. (See catalog section entitled “College-Level Examination Program” on page 14 for further details.)

In addition to the Committee of Bar Examiners’ CLEP requirements for Special Students, Empire College School of Law requires Special Student applicants to complete the Law School Admissions Test prior to acceptance and a written assignment requested by the Law School Dean.

Special Student applicants must also provide all the documentation required of applicants for regular status, including approval of the Dean.

Pursuant to California State Bar policy, all students who are accepted as Special Students must take and pass the First-Year Law Students’ Examination (FYLSX) given by the Committee of Bar Examiners before receiving credit for any law studies completed. A Special Student who does not pass the First-Year Law Students’ Examination within three administrations after first becoming eligible to take the examination must be promptly disqualified from a law school’s J.D. program. A student who passes the First-Year Law Students’ Examination within three administrations after first becoming eligible to take it will receive credit for all legal studies completed to the time the examination is passed. A student who does not pass the examination within the three administrations, but who subsequently passes it, is eligible for re-enrollment in Empire’s J.D. program, but may only receive credit for one year of legal study, Criminal Law, Contracts, and Torts.
Any applicant who seeks admission as a Regular Student, but who does not provide official transcripts or other required documentation by the 45th day after the first day of registration, shall be classified as a Special Student, if the student is admissible as a Special Student, or the student must be dismissed from school.

Transfer Students
Students wishing to transfer to Empire College School of Law must provide official transcripts from all law schools attended showing satisfactory completion of all prior law studies. Students attending an unaccredited California law school must show satisfactory completion of one year of study followed by passage of the First-Year Law Students’ Examination (FYLSX) and successful completion of subsequent courses at the unaccredited school. Students must be in good standing under the rules of the law school they are currently attending.

Under exceptional circumstances, admission may be possible for persons who were previously disqualified from law study if it can be shown that the prior disqualification was a result of factors other than lack of academic ability. Ordinarily, this may be demonstrated by letters from the dean or faculty members of the school previously attended. Applicants who were previously disqualified from law school will normally be required to achieve an LSAT score at or above the 50th percentile prior to readmission and must petition the Academic Standards Committee for admission.

Empire College School of Law reserves the right to determine the number of transfer credits to be accepted. This determination will be made by the Dean on an individual basis and will depend in part on an evaluation of course content and grades received in various courses. Normally, only law coursework completed within 36 calendar months prior to the date the applicant will begin his or her studies at Empire College will be transferable. Some scheduling adjustment may be needed for transfer students to ensure that they receive the necessary instruction in required subjects and the corresponding unit credit required for graduation.

Transfer students must meet all admissions requirements outlined in this catalog.

Normally, all transfer students must take and pass a minimum of 44 of 86 units in residence in order to qualify for graduation from Empire College School of Law with a Juris Doctor degree.

Transfer of Credit from Other Law Schools:
A student attending Empire College School of Law may take courses for credit at other law schools with the permission of the Dean. Credit for courses successfully completed at other law schools may be transferred with the permission of the Dean; however, grades are not transferable and will not be included in the grade point average computed by Empire College School of Law.

Transfer of Credit to Other Law Schools:
Other law schools accredited by the Committee of Bar Examiners of the State Bar of California generally accept Empire College School of Law credits. Some ABA law schools will also accept transfer of credits from Empire College School of Law.

The transfer of credits from Empire College School of Law to another law school is the decision of the receiving law school. Students wishing to transfer to another law school should contact that school to determine its policy of accepting Empire’s credits.

Credit for Experiential Learning
The introductory courses of LAW I401–Introduction to Law and LAW I402–Legal Research and Writing may be waived at the discretion of the Dean of the Law School based on the applicant’s prior education or experience. Waiver of the coursework does not constitute waiver of the units. Applicants
who obtain a waiver of the coursework must still complete the cumulative units required for graduation.

**Non-Matriculating Students**

A student enrolled in another law school, subject to approval of the enrolled law school and the Dean of Empire College School of Law, may be admitted as a non-degree auditing student upon submission of required documentation. Non-Matriculating Students are subject to Tuition and Fees and all other regulations of Empire College School of Law. (See Empire College School of Law Policy Manual section 2A.9 and 2B.9 for further details.)

**Law School Admissions Test (LSAT)**

Regular and Transfer students must take (or have taken) the Law School Admissions Test (LSAT) within four months of commencing the study of law. Commencing the study of law is defined as beginning any course at Empire College School of Law.

Normally, the LSAT must have been taken within the last ten years. The Dean will have the discretion to waive or modify the ten-year requirement. The examination is usually administered in February, June, October, and December. Empire College is test center #14021.

Registration with the State Bar of California

Students have the option to register with the State Bar of California when they begin their legal studies. Refer to the State Bar of California’s official website at www.calbar.ca.gov for current rules and regulations.

Students are advised that it is their individual responsibility to comply with the Rules Regulating Admission to Practice Law in California. Students may obtain a copy from the Committee of Bar Examiners, 180 Howard Street, San Francisco, CA 94105-1639 or online at www.calbar.ca.gov.

Students should retain copies of all forms and information sent to and received from the Committee of Bar Examiners.

Orientation and Registration

Prior to the start of an academic term, there is an orientation for the benefit of all new students. The orientation introduces the students to the Administration, academic philosophies, the challenges and disciplines of studying law, and the responsibilities of the law student.

All students are required to complete registration and arrange for the payment of fees prior to the start of classes. Information and registration material will be sent to all new and returning students prior to the start of classes.

Please Note: A student is not officially registered until the “Student Schedule” is signed by a member of the Law School staff and Accounts Receivable Manager. Any student who registers late will be considered absent until registration and the student schedule have been completed and will be charged a late fee.
Admissions – Concurrent Enrollment – Juris Doctor and Master of Legal Studies

Enrollment in the Master of Legal Studies Program Prior to Enrollment in the Juris Doctor Program
Applicants must decide prior to beginning classes whether they will enroll in the Juris Doctor (JD) program, the Master of Legal Studies (MLS) program, or be concurrently enrolled in both programs. If a student wishes to begin their studies in only the MLS program, but believes there is a possibility they may later enroll in the JD program, concurrent enrollment is highly recommended and will be subject to the same policies listed below.

If a student enrolls in the MLS program and later desires to enroll in the JD program, they must:

1. Have completed the Law School Admissions Test (LSAT) within 4 months of their first day of class; or at a later date if the Dean of the Law School grants an exception, not to exceed one calendar year following the student’s first day of class in the MLS program; and
2. Have met the JD academic requirements in the first-year courses of Criminal Law, Contracts and Torts and would have been moved on to the second-year of instruction whether or not on probation.1 Such students may be required to complete the First-Year Law Students’ Examination as detailed in the Empire College School of Law Catalog (see page 12); and
3. Have maintained a 70 grade point average or higher in the MLS program, if the MLS program has been completed prior to enrolling in the JD program.

The maximum time which may elapse between completion of the MLS program and enrolling in the JD program is 2 years. An exception to this policy may be granted by the Dean of the Law School so long as any exception would not cause the cumulative time in both programs, including any gap period of time between programs, to exceed 84 months (7 years) and no MLS units completed earlier than 36 months (3 years) prior to the student’s first day of class in the JD program are included towards the JD unit graduation requirement.

Concurrent Enrollment in JD and MLS Following JD Academic Disqualification
If a student is concurrently enrolled in the JD and MLS programs and is academically disqualified from the JD program, but remains eligible for the MLS, the student must:

1. Decide whether they will pursue the MLS only; or
2. Meet one of the requirements for readmission into the JD program pursuant to Empire College School of Law Policy Manual section 8.5, et seq., including, but not limited to, a Petition for Delayed Readmission requiring the student to reapply after at least two full academic years have elapsed and to restart the JD program pursuant to Empire Policy Manual section 8.7

1 In the rare circumstance that a student is allowed to complete less than a full first-year schedule, such as completing Criminal Law and Torts, but not Contracts, such a student may be allowed in their second-year to complete the missing first-year course(s) and with permission of the Dean, other courses. However, for purposes of the policies above, the first-year GPA will still be calculated as the cumulative average of Criminal Law, Contracts, and Torts.

2 If a student determines to continue in the MLS program only, this does not preclude the student from later petitioning for Delayed Readmission. However, if readmitted to the JD program after completion of the MLS program, the student would be required to restart the JD program in compliance with Empire College School of Law Policy Manual section 8.7 “where a student is granted delayed readmission and more than one full
academic year has passed, the student will be required to begin again as a first-year student.”

Two Sonoma County Superior Courtrooms (below) are housed within 11,000 square feet of the Empire College building. In the evening, the courtrooms are utilized as classrooms for Trial Practice and Moot Court.

The Law Library (right) houses nearly 10,000 volumes along with extensive computerized legal resources.
The Master of Legal Studies (“MLS”) also known as the Master of Studies in Law (MSL), is a Master’s degree offered to serious students who wish to accomplish post-graduate studies in the law but do not want to pursue a traditional Juris Doctor (JD) law degree.

Admittance, attendance, and graduation from Empire College School of Law’s MLS program will not allow a graduate to be entitled to practice law in California or any other jurisdiction. Attendees or graduates shall not be qualified to sit for the California Bar Examination or any bar examination in any other jurisdiction.

Enrollment Prerequisites
An applicant holding a bachelor’s degree from a qualified institution may be admitted into the MLS program. An applicant not holding a bachelor’s degree from a qualified institution may be admitted if the following are met:

- The applicant has earned an Associate in Arts Degree or an Associate in Science Degree or the equivalent from a qualified institution in California as defined in the “Admissions - Juris Doctor” section of this Catalog (see page 11 “Regular Students,” Section 2(a)).
- The Specialized Associate Degree (Occupational) and the Associate of Applied Science Degree, and other associate level degrees which are vocationally oriented, do not satisfy this subsection.

Admission Requirements
Applicants wishing to be admitted to the Master of Legal Studies program must, prior to admission, obtain and furnish the following:

1. A completed application plus a non-refundable application fee in the amount of $50.00.
2. One official transcript from each undergraduate and/or graduate school and, if the applicant does not have an associate’s and/or bachelor’s degree, an official high school transcript or an official report of the General Education Development (GED) Exam scores verifying successful completion of the GED or a high school proficiency certificate.
3. Two Letters of Recommendation from individuals personally acquainted with the applicant.
4. A personal Statement of Intent outlining the applicant’s interest in the graduate study of law (maximum of 500 words).
5. An interview with and approval of the Dean of the School of Law.

Applicants to the MLS program are encouraged to take the Law School Admission Test (LSAT), but it is not required for admission to the program.

Foreign applicants with a non-English background, at the discretion of the Dean, may be required to take the Test of English as a Foreign Language (“TEOFL”) and submit an official score prior to admission to the program.

All admission decisions will be based upon a complete review of the admissions file as well as upon a consideration of the applicant’s work history, life experience, and previous academic success.

It is important that you keep a copy of all schedules, agreements, contracts, or applications to document enrollment; tuition receipts or cancelled checks to document the total amount of tuition paid; and records which will show the percentage of the program which has been completed.

Transfer Students
Students wishing to transfer to Empire College School of Law must provide official transcripts from all law schools attended showing satisfactory completion of all prior law studies.
Empire College School of Law reserves the right to determine the number of transfer credits to be accepted. This determination will be made by the Dean on an individual basis and will depend in part on an evaluation of course content and grades received in various courses. Normally, only law coursework completed within 36 calendar months prior to the date the applicant will begin his or her studies at Empire College will be transferable. Some scheduling adjustment may be needed for transfer students to ensure that they receive the necessary instruction in required subjects and the corresponding unit credit required for graduation.

Transfer students must meet all admissions requirements outlined in this catalog.

Under no circumstances will more than one-half of the credits required for the Master of Legal Studies degree be transferred from another institution. All transfer students must take and pass a minimum of 24 units in residence in order to qualify for graduation from the Master of Legal Studies program. Students who successfully transfer credits are still subject to the residence requirement under section 2B.0 of the Empire College School of Law Policy Manual.

Transfer of Credit from Other Law Schools:
A student attending Empire College School of Law may take courses for credit at other law schools with the permission of the Dean. Credit for courses successfully completed at other law schools may be transferred with the permission of the Dean; however, grades are not transferable and will not be included in the grade point average computed by Empire College School of Law. A Master of Legal Studies student wishing to transfer courses previously completed at another law school shall petition the Dean for approval prior to commencing studies at Empire. See Empire Policy Manual section 2B.6 for current Master of Legal Studies students who wish to complete courses at another institution.

Transfer of Credit to Other Law Schools:
Other law schools accredited by the Committee of Bar Examiners of the State Bar of California generally accept Empire College School of Law credits. Some ABA law schools will also accept transfer of credits from Empire College School of Law.

The transfer of credits from Empire College School of Law to another law school is the decision of the receiving law school. Students wishing to transfer to another law school should contact that school to determine its policy of accepting Empire’s credits.

Credit for Experiential Learning
The introductory courses of LAW 1401—Introduction to Law and LAW 1402—Legal Research and Writing may be waived at the discretion of the Dean of the Law School based on the applicant’s prior education or experience. Waiver of the coursework does not constitute waiver of the units. Applicants who obtain a waiver of the coursework must still complete the cumulative units required for graduation.

Orientation and Registration
Prior to the start of an academic term, there is an orientation for the benefit of all new students. The orientation introduces the students to the Administration, academic philosophies, the challenges and disciplines of studying law, and the responsibilities of the law student.

All students are required to complete registration and arrange for the payment of fees prior to the start of classes. Information and registration material will be sent to all new and returning students prior to the start of classes.

Please Note: A student is not officially registered until the “Student Schedule” is signed by a member of the Law School staff and Accounts Receivable Manager. Any student who registers late will be considered absent until registration and the student schedule have been completed and will be charged a late fee.
Student Services

Empire College does not have on-campus housing nor does it assist students in finding housing. However, the College is centrally located in Santa Rosa with many apartment complexes nearby. The approximate monthly cost of an apartment ranges from $800 to $1600. Housing resource information is available to all prospective students from the Admissions Office.

Transportation and Parking

Eating Facilities
Vending machines and microwave ovens are provided in the College’s student lounge, and many restaurants are located within a short distance as well.

Americans with Disabilities Act
The College has a separate set of policies and procedures pertaining to the Americans with Disabilities Act (ADA). A copy of these policies and procedures is contained in the Empire College School of Law Policy Manual. If the student wishes accommodation under the ADA, he or she should notify the Dean immediately.

Empire College has an ADA committee which meets periodically and is available to meet with any student who has a question regarding ADA.

The building facilities and grounds which house Empire College School of Law meet city and state regulations concerning access for persons with disabilities, in addition to the federal regulations, also known as the Americans with Disabilities Act, enacted in 1990. The services provided are specially designed restroom facilities, drinking fountains, parking stalls and access corridors to the building, handrails, access ramps and building entry doors.

Empire College School of Law will make a reasonable accommodation to all individuals with disabilities to attend law school unless such an accommodation would impose an undue hardship on the operation of Empire College School of Law. Students with disabilities will be given consideration for accommodations based upon a written request from such a disabled student, accompanied by medical documentation.

Students requesting accommodations must schedule an appointment with the Dean.
Bookstore
For the convenience of students and faculty, the College operates a bookstore which stocks texts, study aids, and supplies needed for study at the College. Students are not required to purchase their materials from Empire College, however.

Student Photographs and ID Cards
A student photograph will be taken at orientation or at one of the first class meetings. These photos will be used to create student identification cards that are issued to each student. ID cards are valid through the student’s expected graduation date and should be returned to Empire College if the student withdraws from their legal studies.

Class Size
Class sizes will vary. The maximum scheduled for lecture classes is 48 students. Small class sizes ensure vibrant discussions and class interactions with Professors.

Law Library
The law library is an integral part of the School of Law. Emphasis is placed on the basic research required for classes. The library consists of California, Federal and other court reference works, reports, statutes and digests, as well as a growing collection of law reviews and treatises. They offer special hours of 4:00 p.m.-6:00 p.m., Monday-Friday for Empire alumni and students exclusively, and the Sonoma County Law Library is also open on Saturdays ensuring Empire students and alumni have access to the 27,000 volumes within the county law library.
Policies and Regulations

Examinations
Mid-term and final written examinations are given in all courses except those requiring substantial oral or written work, such as Moot Court, drafting, legal research, clinics, or special seminars. Examinations are graded anonymously and generally form the basis for the student’s grade. Instructors, with the approval of the Dean, may use factors other than the written examination in determining the final grade. The basis for the grade will be set forth in the class syllabus, and a copy of the grading policy will be on file with the Law School office.

All students must take examinations as scheduled. It is recognized that in special circumstances and due to emergencies, it may be necessary to schedule delayed examinations. An emergency is defined as illness or injury to the student or a member of his or her immediate family. Special circumstances are defined as other situations which, in the opinion of the Dean, are sufficient to warrant delay in taking examinations. Any student taking delayed examinations must have the prior written approval of the Dean. No examination may be taken prior to the day of the regularly scheduled examination. If delayed examinations are approved by the Dean, a fee of $75 will be charged for each examination taken.

The School of Law has the right to withhold the taking of mid-term or final examinations if a student has an unpaid balance due the School and has not made arrangements, approved by the School, for the payment of said unpaid balance.

Grade Notification
Transcripts are mailed to each student at the end of each academic term. Additionally, mid-term grades will be mailed to students at the end of all applicable academic semesters.

The Honor System
A principal objective of the School of Law is to educate students in a profession which is both learned and honorable, a profession in which the public places trust and confidence. The School of Law, therefore, provides an educational environment which seeks to encourage students to develop respect for their professional obligations, both present and future.

Each student is expected and required, on his or her honor, not to give or receive assistance during an examination. Departure from this “Honor System” is an offense against the integrity of the individual, fellow students, the school, and the profession of which our students aspire to become members.

Students must observe these basic principles and are urged to avoid any situations which might place them under suspicion of violation of the Honor System.

Violation of the Honor System may result in dismissal from the School of Law.

Privacy of Faculty
Students will be provided a method for contacting each of their faculty members. It is the policy of the School of Law not to release any personal or confidential information to students or outside parties without the faculty member’s written consent.

Privacy of Students
The School of Law maintains a confidential academic record and file for each admitted student. It is the policy of the School of Law not to release information to outside parties without the student’s written consent.

Student Conduct
All students at Empire College School of Law are expected to conduct themselves in a professional manner by being thoughtful, courteous, and considerate to others.
The School of Law reserves the right to suspend or dismiss any student whose conduct in the opinion of the Dean or Academic Standards Committee is disruptive or in any way interferes with the learning process of other students. The School of Law further reserves the right to terminate the enrollment of any student not abiding by the policies and regulations in this Catalog or in the Empire College School of Law Policy Manual or as set forth in writing by the School of Law. Unlawful activities on the campus will be grounds for immediate dismissal.

**Drug-Free Awareness/Drug Prevention Program**

Empire College has developed a five-point program, in compliance with federal regulations, to inform all students and employees about its policies concerning illicit drugs and alcohol, the legal sanctions relating to unlawful drug and alcohol possession or distribution, the health risks associated with substance abuse, counseling programs available, and the penalty that will be imposed if found in violation of Empire College Policies.

**Smoke-Free Campus**

It is the objective of Empire College to promote a safe and healthful atmosphere for students, faculty, staff and visitors to our facility by reducing the health risks associated with tobacco smoke and related products and minimizing discomfort and inconvenience to all concerned. To meet this obligation, the College has implemented a smoke-free campus. This includes all “E cigarettes” and various vapor-based smoking devices.

Smoking and all other uses of tobacco are prohibited on all property in all indoor and outdoor spaces owned and controlled by Empire College. The only designated smoking area is at the kiosk located at the south end of the parking lot. Everyone is asked not to smoke in any location on campus except the specified designated smoking area.

**Harassment Policy**

Verbal, physical, visual, and sexual harassment of students and employees of Empire College is absolutely forbidden. It is expected that all students will be sensitive to the feelings of others and will not act in a way that might be considered harassment by someone else.

If you believe you or one of your fellow students has been the victim of harassment, you must report it immediately to the Dean, Assistant to the Dean, or Admissions Officer so that your report may be investigated.

**Sexual Assault**

Students, staff, and faculty are required to report any sexual assault, either actual or attempted, immediately to the Dean, Assistant to the Dean, or Admissions Officer of the School of Law. An immediate investigation will be made and involve the local law enforcement authorities as required. Assault victims will be counseled and given information on local agencies that will provide support services. If applicable, the alleged offender will be placed on administrative leave of absence until a determination of guilt or innocence is reached.

The College adheres to guidelines relating to sexual assault as defined by the U.S. Office of Education.

**Equal Opportunity Policy**

Empire College School of Law grants students of any race, color, ethnic origin, age, sex, or sexual orientation all rights, privileges, programs, and activities generally made available to students of the School of Law. The School of Law does not discriminate in administration of its educational policies, admissions policies, scholarship and loan programs, or other school administered programs.
Grievance Procedure

Academic Matters: A student who claims that an examination or course grade was the product of unfairness, a departure from established grading policy or a clearly shown mistake, and presents credible factual support for the claim, may have his or her claim reviewed by the Academic Standards Committee. The Committee is formed in accordance with State Bar standards. The Committee consists of no less than three nor more than five instructors appointed by the Dean to serve for the academic year. Requests for a hearing shall be submitted in writing to the Dean or the Assistant to the Dean within ten (10) days of the date that grades were mailed.

Non-Academic, Non-Financial Matters: Except in extraordinary or emergency situations, students who are the subject of proposed disciplinary action for non-academic or non-financial matters are entitled to written notice in advance and a hearing by a disinterested panel before the imposition of discipline. The student has the right to assistance of counsel of their choosing, opportunity to call witnesses and examine adverse witnesses, and submit documentary evidence. Disciplinary action of this nature may be imposed for any conduct by a student which, in the opinion of the Academic Standards Committee of the School of Law, violates the high standards of ethics expected of potential future officers of the court or legal professionals, interferes with the rights of other students, disrupts the intended functions of the School of Law, or otherwise violates the rights of others or violates the announced policies. The School of Law reserves the right to impose such disciplinary action, up to and including dismissal, on any student whose conduct warrants such action.

Prospective or enrolled students are encouraged to make inquiry of school personnel regarding any questions they may have concerning the policies, regulations, and requirements stated in this Catalog or the Empire College School of Law Policy Manual. Any questions a student may have regarding this Catalog that have not been satisfactorily answered by the institution may be directed to:

Satisfactory Progress Standards – Master of Legal Studies

Satisfactory Academic Progress Statement
Empire College School of Law has specific standards students are expected to achieve in order to maintain Satisfactory Academic Progress (SAP) in their programs of study. These Standards are based on grades and the completion of program requirements within a maximum time frame. Compliance with Satisfactory Progress standards has substantial effect on the disbursement of Title IV financial aid funds. Students in the Master of Legal Studies (MLS) will be requested to acknowledge receipt of the Satisfactory Academic Progress Statement, which outlines these standards, at the time they meet with Financial Aid Office personnel and/or during their first two weeks of classes or if the policy is revised.

At Empire College School of Law, satisfactory progress for MLS students is defined by the following criteria:

Quantitative Standard – Students must complete 36 units and are permitted to attempt up to 1.5 times the number of units (36 x 150% = 54 units) in their program of study. 54 units is the maximum timeframe for completion of the MLS program. Students must be on Pace. Pace is defined as the progress through the student’s educational program that will ensure completion within maximum timeframe. If it becomes impossible for a student to complete the MLS program within 54 units, considering all units attempted and completed, the student is not on Pace. If a student fails to complete more than 18 attempted units, it becomes mathematically impossible to complete the MLS program within the 54 unit maximum timeframe. Further, Pace requires completion of at least 2/3 or 66.67% of the units the student attempts each semester. Pace is calculated by dividing the total number of units the student has successfully completed by the total number of units attempted. In rare circumstances a student may exceed the maximum timeframe if they meet the standards described in the Appeals section below.

Qualitative Standard – Students must successfully meet or exceed the minimum Cumulative Grade Point Average (CGPA) of 65% and be on Pace.

MLS students must meet the following minimum standards of Satisfactory Academic Progress to be successful at Empire College School of Law. The student’s progress will be reviewed at the end of each semester to determine satisfactory academic progress. Lack of satisfactory progress can seriously jeopardize a student’s financial aid.

A full-time student will have attempted to complete 18 or more semester units at the end of each academic year. A half-time student will have attempted to complete at least 9 semester units at the end of each academic year. For financial aid purposes the academic year is defined as at least 45 weeks for all MLS students.

* Cumulative Grade Point Average
Non-Severable Courses – A/B required MLS courses (Criminal Law, Contracts, Torts, and Constitutional Law) are non-severable two semester courses. Upon completion of the first semester of an A/B course, the units for that semester are considered vested. These vested units will not be granted until the condition subsequent of completion of the B portion of the course is successfully completed. However, for purposes of SAP, the quantitative and qualitative portions of this policy will be applied every semester, regardless if the semester culminates in vested or completed units.

Transfer of Credit - Master of Legal Studies credit for courses successfully completed at other law schools may be transferred with permission of the Dean; however, grades are not transferable and will not be included in the grade point average computed by Empire College School of Law. Transfer credits will be evaluated by the Dean of the Law School.

For the purposes of the quantitative maximum timeframe and Pace in this policy, transfer credits are included in the total units completed.

Normally, only law coursework completed within 36 calendar months prior to the date the applicant will begin his or her studies at Empire will be transferable.

The transfer permission request or petition shall be submitted in writing and accompanied by a copy of the catalog description of the course or courses the student completed or desires to complete. The Dean will consider all factors in determining whether credit can be granted, including evaluating the academic equivalency of courses and the hourly unit requirements.

Under no circumstances will more than one-half of the credits required for the Master of Legal Studies degree be transferred from another institution. All transfer students must take and pass a minimum of 24 units in residence in order to qualify for graduation from the Master of Legal Studies program. Students who successfully transfer credits are still subject to the residence requirements under section 2B.0 of the Empire College School of Law Policy Manual.

Students not making satisfactory academic progress are subject to the following:

End of First Semester Not Meeting SAP – Academic Warning: The first time any student is not meeting SAP at the end of any academic semester, he or she will be placed on Warning Status with no right of appeal and continue to be financial aid eligible. These students will receive a letter from the Dean stating they are on SAP warning and requiring the student to meet with the Dean or Assistant Dean to discuss a plan for improvement.

End of Second Consecutive Semester Not Meeting SAP – Academic Probation: A student who does not maintain satisfactory progress at the end of a second consecutive semester will be placed on Probation for the next semester and has two alternatives:

1. Request an appeal with the Dean of the Law School to develop an academic plan that will ensure the student is able to meet SAP standards by a specific time frame. The student’s academic plan will be reviewed with the student during the probationary period as stated in the plan. If approved, student remains eligible for financial aid.

2. Student does not appeal, remains in school, and becomes ineligible for financial aid until such time as the student makes satisfactory progress.
End of Third Consecutive Semester Not Meeting SAP – Academic Dismissal:
Students not making satisfactory academic progress at the end of a third consecutive semester will be dismissed unless their academic plan developed after appeal determined the student will require more than one semester to meet progress standards.

Appeals: An MLS student is allowed one (1) appeal of probation status for the length of their program.

Students on Probationary Status may appeal within ten (10) days of notification of their change in status, and request to be placed on an academic plan. In order for an appeal to be considered, the student must provide the Dean of the Law School a letter that includes information about the circumstances or events which prevented the student from attaining SAP. Circumstances may include:

- Death of a relative of the student
- An injury or illness of the student
- Other special circumstance. Special circumstances must be documented by the student to demonstrate that they had an adverse impact of the student’s performance.

In addition, the student must note what has changed in order for the student to be successful.

The Dean of the Law School will review appeals to determine whether they include the necessary information and documentation. The Dean of the Law School will then determine whether the student is eligible for an academic plan and can regain SAP within the maximum timeframe. The student will be notified in writing within five (5) days, of the final decision. There are no additional appeals processes.

Academic Probation – Veterans or VA Eligible Persons: A veteran or VA eligible person placed on probation for unsatisfactory progress shall be dismissed if his or her academic progress remains below published standards after two semesters. If the veteran or VA eligible person is allowed to remain on probation beyond this period, he or she will have all veteran’s benefits discontinued and any further certification of benefits terminated.

A veteran or VA eligible person whose attendance is below 80 percent after two consecutive semesters will have all veteran’s benefits discontinued.

Grading System: Students will receive a progress report of their grades at the end of every semester. Class work is reported in terms of a numeric grade. In the judgment of Empire College School of Law, the reported numeric grades are equivalent to the following academic performance measurements:

- A 80 and above Outstanding
- B+ 76 - 79 Honors
- B 70 - 75 Superior
- B- 65 - 69 Satisfactory/Credit
- C 64 and below Unsatisfactory/No Credit

For classes where students receive a pass/fail grade, these pass/fail grades do not affect grade point average. Credit hours are earned for “Pass” grades and no credit hours are earned for “Fail” grades.

Withdrawal from a Course: Students who wish to change their schedule by dropping a course may do so only with the permission of the Dean of the Law School. Dropping a class during the first two weeks of the semester will result in no grade or units attempted being assigned for the course. Beyond the second week of a semester, students may request to be withdrawn from a class and a grade of “W” will be assigned. “W” grades are not calculated into the CGPA, but will be considered units attempted if the student has incurred a financial obligation for the semester and will affect the successful course
completion percentage required for the satisfactory Pace.

**Repeating a Course:** A student who receives a final grade of less than 65% in any course must repeat the course and receive a grade of 70% or higher. Repeating the same course will be granted only one time. Failure to successfully repeat a course will result in academic disqualification. When a student repeats a course, both the original course grade (reflected as an RF) and the grade received for the repeated course will be shown on the student’s transcript. However, only the grade received after repeating the course will be included in the student’s grade point average.

**Attendance**
Regular and punctual attendance is required for the successful completion of law school. Students should plan to attend every class. A minimum of 80 percent attendance is required in each course. In the event a student misses a class they should prepare any missed work and obtain notes from another student to ensure they do not miss concepts. If missing an examination, there is a specific make-up examination policy 7.10 in the Policy Manual.

A student who has reached the absence limit in a course will be sent a warning letter. A student who has exceeded the absence limit in a course will be automatically dropped from the course. Dropped students will be required to repeat the course at its next offering in order to meet graduation requirements. Being dropped from a course for exceeding the absence limit will result in a Withdraw from the course and the units will count as attempted units.

A student admitted to the MLS program in the School of Law is expected to pursue the complete course of study without interruption and to conform their personal schedules to that of the School of Law. No student may extend the course of study beyond four years from the start date unless it is approved by the Dean of the Law School (see Empire Policy Manual section 2B.3).

**Standard Period of Non-Enrollment (SPNE)**
If a student desires to be absent for not more than one semester, they may request a Standard Period of Non-Enrollment (SPNE) prior to the beginning of the term for which they plan to not attend. The student must, in order to regain the right to return to the School of Law, request an SPNE (see Empire College School of Law Policy Manual Section 5). A student who is a Title IV recipient should see the Federal Student Loan Repayment Manager to be aware of the possible consequences an SPNE may have on loan repayment terms, change in financial aid refunds (return of Title IV funds), and the resulting change in amounts owed to the College.

**Withdrawal from School**
A student may also withdraw from Empire College School of Law. Readmission is permitted either by approval of the Dean or the Academic Standards Committee, depending on the student’s status at the time of withdraw (see Empire College School of Law Policy Manual Section 5). A student considering withdrawing who is a Title IV recipient should see the Federal Student Loan Repayment Manager to be aware of the possible consequences a withdrawal may have on loan repayment terms, change in financial aid refunds (return of Title IV funds), and the resulting change in amounts owed to the College.

Should a student decide to withdraw from school, they must notify the Law School. Students withdrawing must attend an exit interview with the Accounts Receivable Manager and the Federal Student Loan Repayment Manager to complete withdrawal paperwork and to discuss student aid and financial obligations due the College.
Grievance Procedure

Academic Matters: A student who claims that an examination or course grade was the product of unfairness, a departure from established grading policy or a clearly shown mistake, and presents credible factual support for the claim, may have his or her claim reviewed by the Academic Standards Committee (ASC). The ASC is formed in accordance with State Bar standards. The ASC consists of no less than three and no more than five instructors appointed by the Dean to serve for the academic year. Requests for a hearing shall be submitted in writing to the Dean or the Assistant to the Dean within ten (10) days of the date that grades were mailed.

Non-Academic, Non-Financial Matters: Except in extraordinary or emergency situations, students who are the subject of proposed disciplinary action for non-academic or non-financial matters are entitled to written notice in advance and a hearing by a disinterested panel before the imposition of discipline. The student has the right to assistance of counsel of their choosing, opportunity to call witnesses and examine adverse witnesses, and submit documentary evidence. Disciplinary action of this nature may be imposed for any conduct by a student which, in the opinion of the Academic Standards Committee of the School of Law, violates the high standards of ethics expected of potential future officers of the court or legal professionals interferes with the rights of other students, disrupts the intended functions of the School of Law, or otherwise violates the rights of others or violates announced policies. The School of Law reserves the right to impose such disciplinary action, up to and including dismissal, on any student whose conduct warrants such action.

Honor categories are determined by grade point average as follows:
- Magna Cum Laude 82 to 100
- Cum Laude 76 to 81.99
Grading and Academic Standards – Juris Doctor

Grading
The school uses the following grading system:

<table>
<thead>
<tr>
<th>Grade Range</th>
<th>Comment</th>
</tr>
</thead>
<tbody>
<tr>
<td>90 - 100</td>
<td>Outstanding</td>
</tr>
<tr>
<td>80 - 89</td>
<td>Superior</td>
</tr>
<tr>
<td>70 - 79</td>
<td>Satisfactory</td>
</tr>
<tr>
<td>65 - 69</td>
<td>Unsatisfactory</td>
</tr>
<tr>
<td>64 and Below</td>
<td>Failing</td>
</tr>
</tbody>
</table>

Only grades in the required courses are used to calculate the grade point average.

\[1\] 82 or higher = Magna Cum Laude
\[2\] 76-81.99 = Cum Laude

Repeated Courses
A student who receives a final grade of less than 65 in any course must repeat the course and receive a grade of 70 or higher. Repeating the same course will be granted only one time.

When a student repeats a course, both the original course grade (reflected as an RF) and the grade received for the repeated course will be shown on that student’s transcript. However, only the grade received after repeating the course will be included in the student’s grade point average.

Academic Year
The academic year begins with the Fall Semester and ends on the last day of the Summer Semester of the following calendar year.

Academic Standards - Grade Point Average
In order to qualify for the Juris Doctor (J.D.) Degree, all students must have a cumulative grade point average of 70 or above to graduate.

First-year students whose cumulative grade point average after completion of Torts, Criminal Law, and Contracts is 70 or above will be advanced to the second year in good standing.

Academic Probation
First-year students whose cumulative grade point average after completion of Torts, Criminal Law, and Contracts is between 68 and 69.99 will be on academic probation. Advancement on probation will be granted for only one academic year and once granted the student must, after the end of probation, achieve and maintain a minimum of 70 for each subsequent academic year and maintain a cumulative grade point average of 70 or better. Students on academic probation will be prohibited from participating in activities and programs where good academic standing is required.

Any student whose cumulative grade point average is less than 70 at the end of the student’s second, third, or fourth academic year will be academically disqualified and is not eligible for academic probation.

Academic Disqualification
First-year students whose cumulative grade point average after completion of Torts, Criminal Law, and Contracts is less than 68 will be academically disqualified.

Any student whose cumulative grade point average is less than 70 at the end of the student’s second, third, or fourth academic year will be academically disqualified.

Readmission
An academically disqualified student may petition the Academic Standards Committee for immediate or delayed readmission. The decision and conditions of readmission will be determined by the Academic Standards Committee. The factors considered by the Academic Standards Committee are set forth in the Empire College School of Law Policy Manual and the Guidelines for Accredited Law School Rules.

A student who has reached the absence limit in a course will be sent a warning letter. A student who has exceeded the absence limit in a course will be automatically dropped from the course. Dropped students will be required to repeat the course at its next offering in order to meet graduation requirements.

Empire College School of Law defines a full-time student as one taking six or more units per semester or the required curriculum for the corresponding academic year. Students will not be allowed to enroll on a part-time basis (that is, to take one or two classes rather than the complete academic course) except in unusual situations, and then only with the Dean’s approval.

A student admitted to the School of Law is expected to pursue the complete course of study without interruption and to conform their personal schedules to that of the School of Law. No student may extend the course of study beyond five years from the time he or she begins Torts, Contracts, or Criminal Law without prior approval of the Dean. Students may not interrupt the study of law for a period longer than one year.

- Magna Cum Laude 82 to 100
- Cum Laude 76 to 81.99
If a student is unable to complete a semester’s work, or is unable, after completion of a semester, to return for the next regular semester, the student must, in order to regain the right to return to the School of Law, either take an approved break (Standard Period of Non-enrollment) or withdraw and be readmitted. Readmission is permitted either by approval of the Dean or the Academic Standards Committee, depending on the student’s status at the time of withdrawal (see Section 5 of Empire College School of Law Policy Manual).

Notable commencement speakers have included (top to bottom): The Honorable Joyce Kennard, Associate Justice of the California Supreme Court; Willie Brown, Mayor of San Francisco; and Patricia Ireland, President of the National Organization for Women.
Financial Aid and Tuition Assistance Programs

Scholarships
Several scholarships are administered by Empire College School of Law.

Dean’s Scholarship: The Dean’s Scholarship was established by Dean Broderick in 2001. The scholarship is funded by late fees. The purpose of the fund is to award a scholarship annually to one or more law students enrolled at Empire College School of Law to assist them in the completion of their legal education. The scholarship is based upon financial need, community involvement, school leadership, and academic promise. The amount awarded to each scholarship recipient will be within the discretion of the Scholarship Committee. The Scholarship Committee is comprised of three faculty members and the Dean.

Olga Gracey Scholarship: This annual scholarship is available to one or more self-supporting women in their first year of study at Empire College School of Law. The Student Bar Association established the scholarship in 1991 in memory of Olga Gracey, a first year law student.

Third-Party Administered Scholarships
Katherine Thornhill Scholarship: This scholarship was established to provide financial support to one or more students attending Empire College School of Law. The awards are based on financial need. The amount of the scholarship varies from year to year.

Sonoma County Community Foundation Scholarship: Scholarships ranging from $250 to $20,000 over four years are available for qualified students. Recipients are selected on a competitive basis considering academic and non-academic factors and demonstrated financial need. Some of these funds are restricted to students from a specific geographic area.

Other Scholarships: Law students may be eligible for other third-party scholarship awards. Students are encouraged to apply for other scholarship opportunities. Some examples are the Sonoma County Women in Law Scholarship and the Michael F. O’Donnell Memorial Scholarship.

Financial Aid Programs (MLS program only)
Federal and state financial aid programs are administered by the College to all students determined to be eligible and who maintain Satisfactory Academic Progress, which is defined in this Catalog. Eligibility for all financial aid programs is based upon a Need Analysis and/or prior academic performance.

For financial aid purposes, an academic year is defined as three semesters. A full-time student is defined as one scheduled at least six units per semester.

Students wishing more information on aid should contact the Admissions or Financial Aid Offices of the College at 707-546-4000.

Loan Programs (MLS program only)
A student may borrow under the William D. Ford Federal Direct Loan Program. If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund; and, if the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

Federal Direct Unsubsidized Loan (Loans up to $20,500 per academic year for graduate students): The Federal Direct Unsubsidized Loan is not based on financial need. The interest payments on a Federal Direct Unsubsidized Loan begin immediately after the loan is fully disbursed or may be added to the principal balance.
Monthly payments begin six months after the student graduates, drops below half-time or withdraws from school. Students receiving Federal Direct Loan funds must maintain at least half-time status and Satisfactory Progress.

**Federal Direct Graduate Plus Loan** (Loans up to the cost of education less any other financial aid): Repayment commences as early as 60 days after the loans are made. Students can defer payments until they are out of school.

**College Work Study**: The Federal Work Study Program provides jobs for students with financial need, allowing them to earn money to help pay education expenses. The program encourages community service work and work related to each student’s course of study.

All borrowers are required to attend a loan counseling session before any funds are disbursed. Disbursement of any loan proceeds during the course of a student’s enrollment requires maintenance of Satisfactory Progress, as defined in this Catalog.

All student borrowers will also participate in a loan exit counseling session before leaving school.

**Private Loan Programs**
Empire College participates in a number of alternative loan programs including the Career and Community College Loan administered by Wells Fargo Bank. Information on this loan may be obtained from the Federal Student Loan Repayment Manager or the Accounts Receivable Department.

**Empire Student Loan**
Empire College School of Law has established a student loan program to assist students in completing their Juris Doctor and/or Master of Legal Studies degree(s). Under this program, law students who qualify are eligible to borrow up to $3,000 per semester (Fall, Spring, Summer) in their 2nd, 3rd, and 4th years. Students who qualify are eligible to borrow up to one-half of each semester’s total tuition, not to exceed $3,000 per semester, and exclusive of any program fees and book costs. Each applicant will be reviewed on an individual basis and will be subject to reevaluation each semester. A loan application and criteria memorandum can be obtained from the Law School Office or Accounting.

**Other Financial Assistance**
Empire College programs have been funded by the following agencies:

- The State Department of Rehabilitation
- Private Rehabilitation Agencies
- The United States Bureau of Indian Affairs
- The California Indian Manpower Corporation.

Empire College’s Juris Doctor and Master of Legal Studies programs are approved for the training of eligible veterans and eligible persons.

Many of our students receive assistance from these organizations. Students seeking benefits should contact the appropriate agency as early as possible for information and assistance in determining eligibility.
Tuition and Fees

Program Tuition and Fees
Please refer to the enclosed Catalog Addenda.

Tuition Policies
Tuition is required to be paid in full each semester. Grades may not be released and the student may not be permitted to begin classes the next semester if fees and tuition are not paid.

Students are expected to pay their balances in full or make provisions for monthly payments prior to the beginning of each semester. If the student has agreed to make monthly payments, a promissory note, or other payment agreement, must be signed and interest of one percent per month may be charged on the unpaid balance if any payment is delinquent. The standard payment arrangement allows the student to pay each semester’s Tuition, Library Fee, and Lexis Nexis / Westlaw Password Fee in four monthly installments. The first installment is due prior to, or the day of, the first course session for the semester the student is scheduled to attend. The remaining three installments for the semester are due no later than the last day of each month.

Students who have not complied with the above Tuition Policies may not be permitted to attend classes in the next semester nor receive grades or transcripts. Additionally, scholastic records will be withheld and examination grades will not be released.

Tuition Adjustment Policy
Pursuant to Empire College School of Law Policy Manual Section 1.1, no amendment concerning the cost of tuition or fees will be effective earlier than the next succeeding semester following a written notice of the proposed change is mailed or emailed to students. Written notice of the proposed change will be mailed or emailed to students at least 60 calendar days prior to the effective date of a tuition increase.

Tuition may be increased no more than once per academic year. An academic year refers to a period beginning with the first day of a Fall semester and continuing through the day immediately before the first day of the next following Fall semester.

Tuition is based on the price-per-unit and any tuition increase shall not exceed five-percent (05%) of the price-per-unit of the semester immediately preceding the semester in which students are subject to the tuition in increase.

Procedure for Cancellation of Enrollment by the Student
Whereas very few applicants enroll prior to visiting the school, applicants who have not visited the school prior to enrollment will have the opportunity to cancel their enrollment without penalty within three business days following either the regularly scheduled orientation which is held prior to the first course session of the applicants program.

Within three calendar days after signing an enrollment agreement and making an initial payment, an applicant requests to cancel their enrollment, all monies paid by the applicant will be refunded no later than 30 calendar days following cancellation and no future monies will be owed to Empire College. An applicant requesting cancellation more than three days after signing an enrollment agreement and making an initial payment, but prior to passing of the date of the first course session in which the student is enrolled, will receive a refund of all monies paid no later than 30 calendar days following cancellation and no future monies will be owed to Empire College. If an applicant cancels their enrollment after attendance of the first course session of the term in which the applicant is enrolled, the $70.00 Library Fee for that term will not be
refunded and the applicant will be refunded based on the Withdrawn Student Refund Policy.

Cancellation of enrollment by the applicant requires no specific form of notification so long as cancellation is expressed to the school. Applicants who do not attend the first course session of the program for which they are enrolled, who do not provide notice to the school that they are unable to attend the first course session but desire to remain enrolled, will be presumed to be requesting a cancellation of their enrollment and will receive a refund of all monies paid no later than 30 calendar days from the day following the first session for which they are enrolled. Following the first course session of the program, for all subsequent terms, students will be subject to the Withdrawn Student Refund Policy.

Withdrawn Student Refund Policy

The following policy applies to each semester for which the applicant has registered, attended the first course session of a program of instruction for which the applicant has registered, or who has notified the school they will be unable to attend the first course session but desire to remain enrolled. Students may withdraw from the school at any time and receive a pro rata refund. For students who have enrolled and have not cancelled their enrollment and have attended at least one course session, or who have notified the school they will be unable to attend the first course session but desire to remain enrolled, the $70.00 Library Fee is non-refundable. The Lexis Nexis / Westlaw Password Fee of $125 will be refunded unless the notification of withdrawal is received after the Lexis Nexis /Westlaw password has been issued to the student. Lexis Nexis / Westlaw Passwords are typically issued to the student within the first month of the semester in which they begin the courses of Criminal Law, Contracts, and Torts. The Lexis Nexis / Westlaw Password Fee is never issued to students during the introductory courses of Legal Research and Writing and Introduction to Law, as all required research in those courses is to be completed in a law library and electronic research is prohibited.

The following schedule applies to tuition refunds following the first course session of the then current semester for which the student has enrolled; the “% Refund” is a percentage of the totals of the tuition cost, and when applicable, the Lexis Nexis / Westlaw Password Fee, for the semester and in which the withdrawal is requested:

Withdrawal from a program, semester, or course requires no specific form of notification so long as withdrawal is expressed to the school. The date from which the refund will be calculated is the date in which Empire College School of Law receives notification of withdraw.

Withdrawal tuition refunds are made within 30 days of the withdrawal date. Applicants should review Empire College School of Law Policy Manual sections 5.0 through 5.6 for the effects of withdrawing in good standing, other than good standing, and for leaving a program of instruction on a Standard Period of Non-Enrollment.

Curriculum – Master of Legal Studies

Objective: The objective of the Master of Legal Studies program is to enable students to pursue diverse career choices through the acquisition of a foundational understanding of the legal system. In addition, it is the objective of the law school to enhance the professional skills and knowledge for those graduates who do not choose to sit for the California Bar Examination. Empire College School of Law is committed to providing legal skills to professionals in the fields of medicine, banking, retail sales, insurance, engineering, and manufacturing – even if those graduates do not envision the active practice of law per se.

This program is designed to inform and educate professionals about the fundamentals of the law and help them gain an educated appreciation for the intricacies surrounding the intersection of law, public policy, and the professions. Master’s candidates shall take some of the core classes in the law school curriculum in order to increase their understanding of the basic building blocks of the legal profession. Professionals from diverse fields, including banking, finance, insurance, education, law enforcement, human relations, and sales and marketing all deal with the law as it is applied to their activities. With increased sophistication regarding legal principles, Master’s candidates shall be able to increase their awareness of and preparation for legal issues which may arise in their daily lives.

Expected Educational Outcomes: Upon completing the Master’s degree, program participants shall:

1. Be able to identify the elements of both common law and statutory definitions of torts, crimes, and contracts.
2. Have an expanded knowledge of the elements of constitutional legal issues and how those may be addressed in both their personal and professional lives.
3. Gain specialized legal knowledge in the fields covered by their elective course offerings.
4. Have a broad understanding of the law coupled with an in-depth understanding of one or more unique areas of specialization.

Community outreach

Through an established culture of community outreach and academic service learning, Empire College is committed to providing a variety of free legal services each year to local residents through seven clinics: Elder Law, Disability Law, Immigration Law, Legal Aid, Small Claims, Self-Help Access Center (family law), and Agricultural Law and Environmental Compliance.

As a private college, Empire’s institutional service culture is focused on supporting the community at all levels and includes the president (board member and former chairman of the Sonoma County Workforce Investment Board), faculty and staff (through academic and co-curricular service-learning curriculum and personal modeling of volunteerism), and students in the Law School’s Juris Doctor and Master of Legal Studies programs, as well as each of the School of Business’s occupational programs.

Through these combined efforts, Empire College was recognized nationally on the President’s Higher Education Community Service Honor Roll with Distinction in 2012 through 2015. Empire was a finalist for the top award in 2013. The award is the highest honor a college can receive for its commitment to volunteering, service learning, and civic engagement.

In 2015, the Empire College Board of Directors was recognized by the Sonoma County Board of Supervisors with a Jefferson Award for Public Service. A national recognition system designed to highlight public service in America, the County’s program recognizes the value of non-profit organizations, boards, commissions and advisory bodies, as well as individual efforts for Excellence in Community Leadership and Civic Engagement.
